## INDUCTION CEREMONY

The annual Induction Ceremony held on the third Saturday of March each year is an outstanding public event when one or two women of achievement are honored.

Each year the ceremony has been held at the University of Maine at Augusta during the month of March, in observance of Women's History Month.

The photographs and citations are on permanent display at UMA's Bennett D. Katz Library.

The impressive Induction Ceremony honors the inductee(s) with a presentation by family, friends and co-workers, culminating with the presentation of a certificate.

A Silver Tea is held in conjunction with the Induction Ceremony to honor our inductee(s).

BPW/Maine Past State Presidents have contributed greatly to the success of the Silver Tea.

## Maine Women's Hall of Fame

The Maine Women's Hall of Fame was founded in 1990 by the Maine Federation of Business and Professional Women. Other co-sponsors are BPW/Maine Futurama Foundation and the University of Maine at Augusta (UMA).

The BPW/Maine Futurama Foundation is establishing the Maine Women's Hall of Fame Library Collection. Books by/about Maine Women's Hall of Fame inductees and Maine women in general are being collected.

## SELECTION PROCESS

The Maine Women's Hall of Fame is dedicated to women who have met three specific criteria:

- ★ The woman's achievements have had a significant statewide impact.
- ★ The woman's achievements significantly improved the lives of women in Maine.
- ★ The woman's contribution has enduring value for women.

Nominations are submitted by a variety of organizations, businesses, or individuals.

An independent panel of judges reviews the nominations with careful consideration to select one or two honorees to be inducted each year.

A photograph of each inductee is added to the permanent display at UMA.
